FIVE YEARS AND GOING STRONG FOR THE INCREDIBLE DOCTORS' COOK-OFF!

Trent Hills, ON: The ***Annual Incredible Doctors' Cook-Off***, supporting Campbellford Memorial Hospital (CMH) is back for its fifth year. The CMH Foundation & Auxiliary have announced the fundraisers will take place on Friday, July 12th, under the marquee, next to the Trent River, in Downtown Campbellford. Once again the ***Incredible Doctors' Cook-Off*** is proudly presented by Maizeing Acres Inc.

This year's Cook-Off will see eight local Doctors team up with eight culinary partners to provide delicious food for over 150 guests. This year's culinary teams are Dr. Elia Eshay & Adam Low (Island Park Retirement Residence), Dr. Neil Pritchard & Elizabeth Aikenhead (Our Lucky Stars), Dr. Elias Maraghi & Ron Csenar, Dr. Katie O'Reilly & Melissa Smeets (Melly Rolls), Dr. Gerald Dykstra & Justine Viske (SOS Lounge), Dr. Jeffy Parsons-Sheldrake & Ben Lehman (Benjis Buns), Dr. Michael Norman & Simone Portelli (Capers Tap House) and Dr. Emilie Beyls & Ian Thompson.

The popular summer event features appetizers (designed by the Docs and their Culinary Partners), door prizes, silent and live auctions, live entertainment by The Bay City Trio, and a few added surprises. "We are very excited about this year's Doctors' Cook-off," says John Russell, Executive Director of the CMH Foundation. "The Doctors and their Culinary Partners love the event and guest rave about the food and fun. It's always a great fundraiser for the Hospital."

"We are looking forward to another great Cook-Off" says Robbie Beatty, Co-President of the CMH Auxiliary. "Last year's event sold out so don't delay in getting tickets. Great food, wonderful entertainment and fun is the recipe for this fabulous fundraising event for the hospital."

The Cook-Off, taking place the evening before the ***6th Annual Incredible Edibles Festival***, will support the current ***Bedside Care Campaign***, which is raising funds for the purchase of high priority medical equipment for the hospital, including I-V Pumps, Automated Medication Dispensing Machines and much more.

The ***Incredible Doctors' Cook-off*** is also sponsored Island Park Retirement Residence, Batavia Homes, Trent Hills Concrete, the Rotary Club of Campbellford, Campbellford Wholesale and Via Rail. Other interested sponsors can contact the CMH Foundation for more information.
