

Canadian Tire Campbellford Will Double Your Donation

~ Local retailer steps up to encourage donations to the *Support the Effort Campaign* ~

For Immediate Release, April 20, 2020

Trent Hills, ON - The COVID-19 Pandemic is challenging the resources of hospitals around the globe, including Campbellford Memorial. The front line staff, including doctors, nurses, housekeepers and others need your help. And now is a great time to show your support. The Campbellford Memorial Hospital Foundation is pleased to announce that Aaron Macanuel of Canadian Tire in Campbellford will match all gifts to the ***Support the Effort Campaign*** up to \$10,000.

With community support the matching will allow for the purchase of some of the equipment needed at CMH right now during the COVID-19 Pandemic, including:

- Negative Pressure Room Retrofit
- Noco-spray Room Sterilizer Unit
- Patient Beds & Patient Lifts
- Infrared Thermometers

The CMH Foundation would like to salute Aaron and Canadian Tire for this amazing support of the hospital, but also for being available to local residents, during these challenging times, by offering curbside pick-up or home delivery on on-line orders and curbside pick-up for telephone orders.

Thanks to Canadian Tire, donor gifts will go twice as far to support the great work of the doctors, nurses and staff at Campbellford Memorial Hospital.

To make a gift securely on-line visit www.givetocmh.ca/donate-now/ or call 705-653-1140 ext. 2107 or 2104. For inquiries e-mail Catherine Holt at cholt@cmh.ca

Double the impact of your support today!
