CMH Foundation Monthly Giving Program ~ *An Investment Worth Making*

For many of us, budgeting is important. We also want to make an impact in our community. That is why so many choose our **Monthly Giving Program**. It is simple to set up, very affordable because you set the amount that is right for your budget and you know that your donation has long-term impact at your hospital. And you will be amazed at how your monthly gift adds up! It is an easy way to help your hospital have the tools they need. It is definitely an investment worth making.

How does the Monthly Giving Program work?

Each month, your donation is directly withdrawn from your credit card or bank account and put straight to work at the Hospital. If you wish to increase or change your contribution at any time, it's easy. Just contact us at: 705-653-1140 Ext. 2104 and we'll make the changes you need. It is environmentally friendly too as we'll issue you one tax receipt for the total amount you have contributed at the end of each year!
